-SUCCESSFUL ARISS EVENT-

Thrive Families!

We had an amazing turn out for our ARISS event at Harrison High School and Stratton Meadow Elementary. Thank you for showing up. Your support is valued. The questions were creative and wonder-filled. Especially the brave student who asked about how an astronaut uses the restroom. We still hope to have our chat with ISS this month but we also understand the mission assigned take priority.

THANK YOU SO MUCH FOR YOUR SUPPORT AT PICK UP

CAR PICK-UP LANE

It has gone swimmingly this year thanks to your help. Please continue to be aware of the entry and the exit allowing traffic to flow. Please do not block the parking lot, particularly during school pick-up and after school activities. We appreciate you!

WALK-IN PICK-UP

If you want to pick up your students at the end of the day, please come to the front office and someone will get your student for you. Thank you for your patience.

Providing Prompt Responses to Families' inquiries is our top priority. Nevertheless, we understand that there may be instances where things slip through the cracks. In such cases, please do not hesitate to reach out to our front office via phone or email to follow up.
