-FROM A LEAP TO A TO MARCH-

Thrive Families!

Leaping from a busy month of space and dance, we now march into a month of more dance and ITBS. Our highschoolers are going to see Dance Aspen on the 1st and then they will attend their formal on the 2nd. Our ITBS testing happens this month too. Lastly we close out the month with a beautiful break!

Family Informational Meeting with Colonel Miller, USAF (Ret)

We are excited to announce a partnership, starting August 2024 with District 2's AFJROTC. Thrive will host an informational meeting for parents with students who have an interest in participating in AFJROTC. Colonel Miller, Senior Aerospace Science Instructor, will provide program information and current AFJROTC students will accompany him to share their experiences in the program. Topics will include curriculum, uniforms, and extracurricular opportunities afforded to students who participate in this program.

Things to know...

- no cost to parent or student
- high school credit is earned
- no obligation outside of classes two days a week.

Topics of Instruction include:

Drones | CyberPatriot | Raider Team | StellarExplorers
Rocketry | Drill & Color Guard Teams | JLAB

PARENT COMMUNITY LIAISON

Christine Oxner

I am a former teacher turned home school mom to 4 children, who are all attending Thrive. My husband retired from the Army in 2014 and we loved the area so we stayed. Eventually we found a small farm on the outskirts of Fountain where we have a large garden, chickens, dogs and cats. We have been a part of the Thrive family since 2016 and my family has enjoyed nurturing the friendships we have made while there. I am excited to work closely with all parents to help foster a close knit educational “family” with not only other parents, and the staff at Thrive but also with the entire community that makes Thrive the success that it is.
